

# SPIDERS' CHANCES IN BASEBALL ARE BRIGHTEST EVER

(Continued From First Page.)

Abundance of veteran material on hand for the outfield.

Among the new men who will be recruited, Davis, of Maryland, comes with the best reputation, his work being of such high order last year that Connie Mack, of the Athletics, tendered him a contract. Davis is a catcher, and it is more than probable that he will be the "Spider" mainstay behind the bat this year. Seales, in this event, will very probably land a job in the infield, as his stick work makes him a valuable addition to any team.

Oliver Amos Pollard, better known as plain "Polly" to his friends, will give them all a hard fight for the shortstop position. "Polly" played on the Petersburg High School team last year, and he entered the Spider camp, and he was considered one of the best amateur players in Goebertown. Mitchell is another man who will make somebody hustle to beat him out for an infield position.

"Uncle Bert" Robbins will probably land the first-base job, taking care of the vacancy made by the departure of Hatcher. Robbins played on the John Marshall baseball team for four years, and was considered the best first baseman ever developed at the local school. "Bert" has also had some little experience as a twirler, and it is not unlikely that Dobson will try to make a first-rate box artist of him.

Plenty of Candidates.

Privett, of Blackstone Academy; Wilson, of West Virginia; "Tiny" Wick, of Richmond Academy, will give some of the regular outfielders of last year's team a hard fight for berths in the outer works. "Sophie" King, the lad who twirled some wonderful ball for Richmond Academy last year, seems to be the best of the new pitchers.

Manager Culbert has arranged a very attractive schedule for the local colleges. It calls for twenty games with the representative teams of the State. At present he is trying to arrange a game with Georgetown to be played in Richmond, but owing to some disagreement over the date has not been able to make definite arrangements. It is thought, however, that the deal will go through, and that local fans will have an opportunity to see the Blue and Gray team in action.

The schedule follows:

March 15—Petersburg High School (Exhibition).

March 24—William & Mary, in Richmond (Exhibition).

March 25—West Virginia Wesleyan, in Richmond.

March 31—Staunton Military Academy, at Staunton.

April 1—V. M. I., at Lexington.

April 2—Washington & Lee, at Lexington.

April 3—Roanoke College, at Salem.

April 4—Randolph-Macon Academy, at Bedford City.

April 11—Richmond League team.

April 12—Georgetown, in Richmond (pending).

April 20—Trinity College, in Richmond.

April 22—Hamden-Sidney, in Richmond (championship).

April 25—William & Mary, at Williamsburg (championship).

April 29—Randolph-Macon, in Richmond (championship).

May 2—Hamden-Sidney, at Hampden-Sidney (championship).

May 4—Roanoke College, in Richmond.

May 6—William & Mary, in Richmond (championship).

May 13—Pending.

May 18—Randolph-Macon, in Richmond (championship).

## MORE EXHIBITION GAMES ARRANGED

Jersey City Latest on Colts' List.  
Mack Sends In His Contract.

Secretary W. B. Bradley announced that he had arranged several additional baseball games for the Colts. Jersey City, of the International League, was asked and has been granted a game on April 4. On April 4 the Battle Axe sluggers, of the Capital City League, will be given a chance to show what they can do against professionals, and on April 7 Ray Ryan will take his crowd of Colts down to Williamsburg for an afternoon's jaunt with the William and Mary club.

While nothing definite has been heard from Clark Griffith as to just what date he will want for his crew of rookies, it is expected that he will visit us about April 11. Should this game be arranged either Walter Johnson or Joe Mauer, and maybe both, will be seen in action with whistling Eddie Ainsmith at the receiving end of the station.

John Mace, of whom it was announced that he had signed with the national league, yesterday sent in his autographed document, and along with it a letter, in which he says that he, and he alone, will be the leading catcher for Ryan during 1914. "Understand that you have two young catchers," "Well, it is going to be a mighty good young 'un to beat me out of a job. I'm right again, and I'm going to stick." Which very nearly shows which way John's ambitions lie.

John Mace came to town yesterday to see the Colts' longest meeting, and brought along a bunch of nice things to say about young Clarence Berger. "Berger is about the best prospect I have ever seen," says Harry, and since the Rock Union coach is a pretty good judge of baseball flesh, Berger comes very well recommended.

## SOCCER FOOTBALL

A fast and exciting game of soccer football was played yesterday at Byrd Park between the local club and the Richmond Soccer Football Club. The local team secured a win for the single men by four goals to one.

Wilson kicked off, and the Singles attacked at once, and Wilson had luck in not being shot at. The Singles played a good game, and Wilson scored a goal. After some fast play the Singles scored a goal. The Singles played a good game, and Wilson scored a goal. The Singles played a good game, and Wilson scored a goal.

## GENERALS BATTLE WITH VIRGINIA AN EVEN BREAK

(Continued from First Page.)

took this phase of the game, and he was not a bad fighter. Stickley's defensive work stood out as well as his offensive stunts. Stickley's work at center was spectacular throughout.

Campbell and Luck in general did strong guard work, but leaving their goal open several times the White and Blue were given easy shots for goals, a condition to which the tie score may be ascribed.

McCall and Bear missed a number of goals, but their work was generally clever and fast. Miles put up a great game until he retired late in the second half on account of four personal fouls. Bear charged against him. Bear succeeded and played equally as well. Sealey ran his first three foul goals in the last period, and then lost his game, but lost his last pair.

Young failed to cover Stickley in the first half, but in the second period the work of both Washington and Lee guards was fast and certain.

Virginia—Nichols, right forward; Stickley, left forward; Strickland, center; Campbell, captain, right guard; Luck, left guard.

Washington and Lee—McCall, right forward; Bear, left forward; Miles, center; Lile, right guard; Young, left guard.

Summary: Substitutions—Wadhill for Nichols, Dillcock for Luck, Sealey for Bear, Bear for Miles. Goals from field: Nichols, 2; Wadhill, Strickland, 3; Miles, 2; Campbell, 1; Young, 1. Goals from fouls—Stickley, 2; Strickland, 1; Nichols, 1; Washington, 1; Young, 1. Time of halves, 20 minutes. Referee, Mr. Lush, of Yale. Umpire, Mr. Somers, of Pennsylvania.

St. Paul in High Gun.

Washington, February 7.—St. Paul carried off high score honors this week in the inter-city rifle shooting competition, making 964 total points. The St. Paul team, consisting of six men, won the trophy by a score of 964 to 940.

West Point, N. Y., February 7.—Playing with a dash that kept their opponents off their feet, the Army team won the basketball tournament of the National Basketball Association, defeating the Navy team by a score of 41 to 14.

The goal shooting of Hibbs and MacTaggart, when they were visiting the United States, was a fine feat. Hibbs, of the United States, and MacTaggart, of the United States, were both excellent goal shooters.

## FOUR-CORNERED PREP SCHOOL MEET WILL BE HUMMER

(Continued From First Page.)

bill will be the backbone of the sprinters. As all of these boys are exceptionally fast, Coach Thomas should have no trouble in turning out a team that will hold its own with the other members of the league. Addison and Capers seem to be the best bet in the handball, although it is not improbable that the coach will develop Captain Northern into a timber-topper.

If the distance events, the Red and Black will depend on Michaux, Addison, Leach and F. D. Leach. To "bring-home-the-bacon" Michaux has been doing exceptionally good running in practice, and his friends at the Main Street School are banking on him to walk away from Spencer, of the Academy, and Tomper, of John Marshall, who are supposed to be the pick of the middle distance runners in the prep schools.

Baldwin Sure Scorer.

McGuire's as good as scored one first place when they entered "Bob" Baldwin in the pole vault. Baldwin cleared the bar at nine feet, four inches Thursday in practice, and this was his first day out. He is confident that with a few more days of strenuous practice, he will be able to do even better than that.

In addition to Baldwin, McGuire's will have Bruce and "Tech" Leach entered in this event. Maybe Addison and Bruce will be in the high jump for the wearers of the Red and Black.

The "strong arm" stunt, Michaux and Bruce look very good in this event, with Baldwin trailing just a few inches behind them. These three lads should be in the running for the "strong arm" stunt, Michaux and Bruce look very good in this event, with Baldwin trailing just a few inches behind them.

John Marshall, extend himself to win. An exceptionally fast bunch of midgeets have been reporting for practice, and all in all, the team is in good shape. Among the "small ones" who have been showing up well in practice are Marry, Purcell, Horeley, Taylor, Scott, Monure, Hayden and Coleman.

Cadets Keeping Quiet.

The Cadets have been keeping rather quiet regarding their track prospects, but "Fergie" McKee, the Blues' star athlete, has consented to coach them, and this fact alone augurs well for a winning combination. McKee has plenty of good material at Benedictine, and if he can arouse a little enthusiasm among the members of the team, they will probably be the cadets' mainstays in the shot-put. Both of these lads are big, strong, husky fellows, and should be able to toss the iron a considerable distance.

The relay race will be one of the features of the program. The John Marshall team defeated the Academy team at the meet held at the Y. M. C. A. and are confident of wiping up the other two members of the league when they get together on the 13th. The publicity meeting of the league was held at the Y. M. C. A. on the 13th.

The official list of events follows: Fifty-yard dash, fifty-yard hurdles, 200-yard dash, half-mile run, shot-put, pole-vault, running high jump and relay race.

With Score 15 to 4 Against It, Alexandria Team Refuses to Continue.

Manassas, Va., February 7.—Manassas High School and Alexandria High School met last night at Eastern College gymnasium for the second basketball game of the year. Only one of the contest was completed, but at this time Manassas was in the lead, the visitors off their feet. Declaring that they were not receiving fair treatment the Alexandria team refused to continue the game.

The best playing for Manassas was by Bonds and Adamson at forward, who both scored. The scores: Bonds and Sullivan starred for Alexandria. It is probable that this incident and previous difficulties the schools will sever their athletic relationship.

KILBANE MEETS DUNDEE SOON.

Champion Agrees to Give His Clever Rival a Fight.

Philadelphia, February 7.—An agreement was signed here to-night by the terms of which Johnnie Dundee, the clever featherweight who has been champion of the world, will meet Johnnie Kilbane, the champion of that class, in a fight to a draw. Kilbane will meet Johnnie in the Olympia A. C. here for six rounds.

# SPIDERS' CHANCES GREAT SURPRISE UPON SOLDIERS

(Continued From First Page.)

easy style, beating Durham and Satterfield, but leaving plenty of room to spare. Durham ran a beautiful race in the hurdles, but Knightly was too much for him. If Durham stays under Dobson's direction a while longer he will undoubtedly be the best all-round athlete in the city.

Durham had little trouble in winning the shot-put, tossing the iron over one foot. Hebell and Joe Burke, both of the Blues, were the other two that placed in the strong-arm stunt.

The quarter-mile dash was one of the prettiest races ever pulled off at the House Show Building. Captain Gary, of the College, jumping into the lead on the first curve and holding his advantage to the tape. F. McRae, of the Blues, finished several yards behind Gary in this race.

Balke, of the college, cleared the bar at eight feet nine inches in the pole-vault, beating Captain Strother, of the Blues, but by three inches. While this height is not a record, it is considerably better than anything that has been done in any of the meets staged here this winter.

Hebell Outraces Burton.

The 550-yards race furnished the biggest surprise of the evening, when "Slim" Hebell, of the Spiders, ran away from the heretofore invincible Burton. With all due respect to Burton, he more than met his equal when he stacked up against Hebell. "Slim" is the best middle-distance man turned out around this section in many days. Burton ran well up to his usual form, and found Hebell to extend himself at all times to win.

Klevesahl, the College "pack-horse," finished third in this race, with just a few feet separating him from the leaders. "Dyke" had just finished a fast 440, and this probably accounts for his landing third instead of second on the 550. Klevesahl was in it of last night's events, and while he did not make a startling number of points, he made a very creditable showing.

Bryan, of the Blues, was an easy winner in the running high jump, clearing the bar at five feet three inches. Hebell, who had just finished his rapid half-mile, finished second to the former. Durham had little trouble in winning the shot-put, tossing the iron over one foot.

Vaughan Back in Form.

As was anticipated, Dick Vaughan came back into his own last night and won the mile run, beating out Captain Gary, of the Spiders, on the last two laps. Captain Gary furnished one of the grandest exhibitions of sheer pure grit and nerve when he came right out of the mile run and entered the quarter-mile dash. Vaughan was the victor in the quarter-mile dash, and he made a grand display of determination, and showed that he was a "die" spirit that goes to make a winner.

The Blues won the relay race with the invincible Athletic Club. Barton Heights won their relay with Highland Park. J. Stringer picking up a lead that the others were able to hold on to. The invincible Athletic Club defeated McGill in one of the fastest of the relays pulled off last night. The Athletic Club made a grand appearance on the track last night, and won their event in easy style. Binns held the entire distance, while the boys that followed him did even better. Their opening up a gap between themselves and their opponents. First National Bank finished a fairly good second in this relay, and C. C. A. ended up a third.

CORNELL'S FIVE WIN MATCH.

Yale Loses to Ithaca Hosts by Decisive Score of 40 to 20.

Ithaca, N. Y., February 7.—Cornell defeated Yale at basketball here to-day by the score of 40 to 20. The Cornell team, in business almost as soon as the game began, Captain Halsted dropping in the first basket inside of two minutes. The Cornell team, and by the time the whistle blew at the end of the first half the score stood 15 to 12 in favor of Cornell.

Bert Halsted, the Cornell captain, was as usual the individual star, getting down from the field and eight foul goals. Stackpole proved the best scorer for the Elis.

the league one-third of the total or even two additional Saturdays at home? These are the questions to be determined by the men who control the destiny of the Virginia League. It is our very positive opinion that the league cannot last without week-end games being played here. But that's merely the opinion of one man's opinion.

Secretary Bradley, on behalf of the local organization, agreed to give 5 per cent of the gross receipts from each of the Saturday games in addition to the number he would get under an equitable schedule, but the map notes would have none of this. It is now clearly up to the directors.
